

## **LAC and CCA's National Strategic Priorities for 2010-2011**

### **Objective 1**

Increase access through Provincial and Territorial Council networks:

- Increase the number of new institutions contributing to ARCHIVESCANADA.ca
- Increase the number of institutions contributing new descriptions
- Increase the number of archival RAD descriptions at the fonds, series and sub-series levels
- Re-description of fonds that are not RAD compliant
- Add descriptions that would enhance the catalogue's profile

### **Objective 2**

Projects that creatively propose new ways to attain this objective by:

- Using innovative ways to increase awareness or by reaching out to new audiences
- Encouraging partnerships with non-traditional user groups

### **Objective 3**

- Projects that increase the participation of Aboriginal and ethno-cultural groups in archival community and thereby their representation in the national catalogue
- Projects which provide access to collections when the Aboriginal and ethno-cultural content is not readily accessible

### **Objective 4**

- Archives and education advisor projects that continue to build and maintain the capacity of archival networks
- Projects that are strategic in focus and help develop the breadth and depth of the archival community making it more independent, self-sufficient, and sustainable

### **Objective 5**

- Preservation advisor projects that continue to build and maintain the capacity of archival networks
- Projects to treat or reformat records of significant value at grave risk of loss
- Projects that implement global assessment recommendations
